From The City of Sea Isle City, New Jersey

MAYOR'S MESSAGE:

I hope you were able to join us for Sea Isle City's annual Community Day on May 21, which featured a wide variety of events and activities, including free personal document shredding, courtesy of First Bank of Sea Isle City, a hands-on children's art station, courtesy of Jugglefish Art Gallery and Studio, a prescription drug disposal station, the chance to speak with City officials and representatives from local civic organizations, and a weekend City Council meeting. There were also face painters, representatives from several Cape May County agencies, and much more to experience.

During the Community Day Awards Ceremony, numerous people were honored, including 2016 Chamber of Commerce and Revitalization Scholarship Recipients Jacklyn Romano, Michael McAuliffe, Michael Ragusa, and Catherine Larkin. Additionally, the Sea Isle City Women's Civic Club received a check for \$2000 for being First Bank of Sea Isle City's 2016 Community Partnership Award winner; and School Board President Dan Tumolo, Tourism Volunteer Jen Fabrico, and Deacon Joe Murphy of Saint Joseph Church each received a "Do The Right Thing" award for the generous amount of time they donate to our community each year. New Jersey Junior National Teenager 2016 Shanna McCool was also present during Community Day. In honor of Shanna's many achievements, I was happy to declare May 21 as "Shanna McCool Day."

Looking ahead, I'm sure it is safe to assume that most of us are looking forward to some well-deserved warm weather – especially after such a chilly, wet spring. In just a matter of hours it will be Memorial Day Weekend, which will usher in the many joys of summer. You will be happy to know that Sea Isle's beaches are ready for the approaching season, our calendar of events is filled with exciting activities, our business community is fully prepared to welcome patrons, and our City employees are eager to serve you. In short, we are ready for summer – now, all we need is you!

Speaking of Memorial Day, I am hoping to see record crowds at Veterans Park during our annual Memorial Day Ceremony on Monday, May 30, at 10:00 a.m., at which time we will honor all of the men and women who lost their lives while serving in the United States Military. After the ceremony, Boy Scout Troop 76 will lead a procession to the JFK Boulevard Beach, where they will set flowers adrift at sea in honor of our nation's deceased naval heroes. Like Veterans Day, Memorial Day is an important occasion that every American should acknowledge in one form or another. If you can't be with us on May 30 at Veterans Park, I encourage you to honor the memory of the countless lives lost in the name of freedom no matter where you are.

If you're like me, you've been anxiously awaiting the completion of the new Sea Isle City Acme. At last, the wait is over! This morning, I was honored to participate in a grand opening ceremony at the new Acme, located at 62nd and Landis Avenue – and what a beautiful store it is! My thanks go to the good folks at Acme Markets for the support they have always shown – and continue to show – our community. Also, I want to thank our residents and visitors for their patience while construction of the new Acme took place. Now that it is open for business, you can grab your shopping list and enjoy Cape May County's newest supermarket!

This week's "Shout-Out" goes to the members of the Sea Isle City Police Department – and police officers everywhere. As I have said many times before, our officers in blue deserve our sincerest gratitude for all they do. The next time you see a member of the SICPD, be sure to stop and say "thank you" for keeping us safe during the busy summer season and each day throughout the year.

Smile...You're in Sea Isle!

Mayor Leonard C. Desiderio

CITY COUNCIL'S MESSAGE:

During the City Council meeting on Saturday, May 21, which was a well attended gathering held in conjunction with the City's annual Community Day, Ordinance 1591 was introduced, had first reading and received a split vote from Council. This ordinance was written to amend the Revised General Ordinance related to residential zoning districts. It permits a .05 increase in Floor Area Ratio (FAR) to .85 for new residential construction if four parking spaces are provided per dwelling unit. The recently enacted .8 remains if the permittee elects not to provide the fourth parking space. Copies of the proposed change to the ordinance are available online at <http://seaislecitynj.us/city-clerk.aspx> (click the link at the bottom of the web-page for City Clerk & Registrar of Vital Statistics Forms to access Ordinance 1591). Paper copies of the ordinance are also available at the City Clerk's office in City Hall.

During the "Citizen Comment" portion of the meeting, there was a considerable amount of discussion related to the introduction of Ordinance 1591 – both for and against. The public is advised that Ordinance 1591 will go before the Planning Board for a Master Plan Consistency Review on June 13 at 7:00 p.m. The Ordinance will then be taken up for second reading, public hearing and final voting during the June 14 City Council Meeting, which will be held at 10:00 a.m. in Council Chambers, located on the third floor of City Hall.

Also during the May 21 meeting, each of the Resolutions on the Consent Agenda were approved, including Resolutions 095 through 099, which authorized the City to participate in the National Joint Power Alliance for the acquisition of needed equipment, including two four-wheel drive vehicles, a tractor and a dump truck. Participating in co-ops such as the National Joint Power Alliance gives the City buying power and ultimately saves our tax-payers money.

Our next City Council meeting is May 31 at 10:00 a.m. in Council Chambers. –We hope to see you there!

Best regards from the members of City Council.

Council President Jack Gibson (jjgibson@seaislecitynj.us)

John Divney (jdivney@seaislecitynj.us)

Frank Edwardi (fedwardijr@seaislecitynj.us)

Bill Kehner (wkehner@seaislecitynj.us)

PROJECT UPDATES:

Beach Replenishment

In April, sand pumping operations concluded in Sea Isle City. The City received over 900,000 cubic yards of sand as part of the refill operations, which were undertaken following the past fall and winter nor'easters. This was in addition to the roughly 2 million cubic yards of sand received during the initial beach fill in 2015. The downtown beaches fronting the Promenade were substantially widened beyond the original design with this refill.

There remains some corrective work to dune crossovers damaged by winter storms, which may be taking place into the summer – but this should not impede access to any beaches. Our Public Works Department will be performing maintenance work on beach accesses and will coordinate with the contractors to ensure beach accesses are in good shape. In any event, all beaches will be open for the coming season.

Utility Reconstruction, 36th & 37th Streets (fall 2015 construction)

On March 26, 2015 the council awarded a bid to Garden State General Construction in the amount of \$431,353.40 for the utility reconstruction of 36th Street & 37th Street from Cini Street to Landis Avenue. As of this date all work has been completed. Due to the inclement weather over the winter the area did not have sufficient time to settle, therefore, the City will reconstruct the streets in early fall.

Utility Reconstruction, various streets

On October 27, 2015 the council awarded a bid to RTW Construction of Southampton, New Jersey in the amount of \$744,713 for utility reconstruction at the following locations:

- 47th Street from Landis Avenue to Promenade – substantially completed.
- 49th Street from Landis Avenue to Promenade-substantially completed.
- 65th Street from Landis Avenue to Central Avenue
- 65th Street from Landis Avenue to Pleasure Avenue – substantially completed.
- 69th Street from Landis Avenue to Central Avenue – in progress.
- 76th Street from Landis Avenue to Pleasure Avenue – substantially completed.

Work to install new sanitary main, sanitary laterals, new water main and water services on 47th, 49th, and 65th from Landis to Pleasure is substantially completed.

Work to install new water main & sanitary main, sanitary laterals and water services on 69th is underway.

The photos below of 69th Street were taken on May 25...

Roadway reconstruction program – various streets

On March 15, 2016, City Council awarded a bid to Ricky Slade Construction, Inc., of Bridgeton New Jersey, in the amount of \$299,437.50 for road reconstruction at the following locations:

- 44th Street from Landis Avenue to the Promenade – substantially completed
- 46th Street from Landis Avenue to the Promenade – substantially completed
- 56th Street from Landis Avenue to the Promenade – substantially completed
- Roadway elevation on selected areas of 44th Street and Venicean Road – substantially completed

This project is substantially completed. Project is being closed out.

Bulkhead Construction, 80th Street and 93rd Street

On August 25, 2015 City Council awarded a contract to Colonnelli Brothers, Inc. of Hackensack, New Jersey in the amount of \$199,880 for the construction of bulkheads at the above locations.

Larsen Marine, Inc. has been hired as a subcontractor. After some delays the mobilization of this project occurred on March 15th. The 93rd Street location is **substantially** completed. The 80th Street Bulkhead is substantially completed. Punch list items will be addressed shortly. The photos below of the 80th Street Bulkhead were taken on May 25...

Sea Isle Boulevard

The Cape May County Board of Chosen Freeholders, at their May 13, 2014 meeting, awarded a \$12.7 million contract to South State, Inc. for the Sea Isle Boulevard Improvement project that will raise the roadway by approximately 4.5 feet and otherwise reconstruct Sea Isle Boulevard.

Traffic has been diverted to the south side of the boulevard; and the contractor has placed fill on the north side of the causeway to an average height of about 6.5 feet, which is 2 feet higher than the eventual height of the completed roadway. The additional 2 feet, which will be removed prior to the next construction phase, is surcharge to compress the underlying layers of soil. The goal is to obtain as much settlement as possible prior to paving on top of the new fill. The current plan is to start paving of the north side this coming fall.

Prior to the coming summer season, the entrance to the northbound parkway will be reconfigured in order to provide room for eastbound vehicles to travel around vehicles making a left turn onto the parkway entrance.

Motorists are advised to be aware of the revised traffic patterns in the construction zone and the reduced speed limit.

Streetscape Improvement on Landis Avenue

On September 8, 2015 council awarded a bid to Think Pavers Hardscaping of Swedesboro, NJ in the amount of \$796,648.33 for streetscape improvements on Landis Avenue from 43rd Street to 39th Street. This project includes various aspects of beautification which includes new sidewalks, paver crosswalks, traffic striping, lighting, sod, stone mulching, various tree plantings & tree grates, benches and bike racks. The block from JFK to 40th was previously completed as part of the JFK Gateway Project.

Punch list items will be addressed in the coming days and Landis Avenue is now open to all vehicular traffic.

Public Works Maintenance Garage – 80th Street & Central

On March 23, 2016 council awarded a bid to Archetto Construction of Vineland, NJ to replace the roof, siding and insulation at this location. Work will commence once all permits are in place and materials have been secured.

Sea Isle Ambulance Corps Building

On November 18, 2015 a bid was accepted from Baruffi, Bros. Inc. of Vineland for needed stucco work to the exterior of the volunteer ambulance corps building in the amount of \$9,975. Due to the need for warmer weather conditions, work did not begin until April 8, 2016; and is progressing as weather permits. The Public Works Department is also doing exterior improvements to the garage door surrounds; sanding and painting exterior doors; and necessary interior repairs to this facility. The stucco work as of this date has been completed.

Townsend Inlet Bridge

The TI Bridge was opened to traffic prior to Polar Bear Plunge Weekend, and remains open.

MASTER PLAN RE-EXAMINATION:

The Planning Board has completed their special meetings to review the various categories for the Master Plan Re-Examination. Completion of the draft re-examination report by Maser Consulting is expected by the end of May. Following review of this document by the Planning Board subcommittee, the draft re-examination will be provided to the full Planning Board for review and comment.

A public hearing on the Master Plan Re-Examination is anticipated to be held in July. Once the hearing date has been firmly established, it will be advertised in advance and the City will issue an E-Alert notification regarding the public hearing.

Following the public hearing, the Planning Board will consider any additional modification to the Master Plan Re-Examination, with the expectation that it will be formally adopted at an August or September meeting, and then sent to City Council for their consideration and action.

MEMORIAL DAY CEREMONY

Please join Mayor Desiderio, City Council, VFW Post 1963 and other members of our community as we honor the men and women who died while serving in our nation's Armed Forces during Sea Isle's annual Memorial Day Ceremony on Monday, May 30, at 10:00 a.m. in Veterans Park, JFK Boulevard & Landis Avenue. For more info, phone 263-4461, ext. 1245.

BIKING OR WALKING? IMPORTANT INFO YOU SHOULD KNOW:

Attention Pedestrians:

- By law, pedestrians must cross streets at corners and intersections. Failure to obey pedestrian signals and use crosswalks at signaled intersections comes with a \$54 fine.
- Be on the lookout for vehicles turning right on red – always look left, right, and left again before crossing any street.
- Be visible when walking at night and in inclement weather.
- Only walk sober.
- Eliminate all distractions while walking, such as texting and talking on the phone.

Attention Bicyclists:

- Bicyclists must follow the rules of the road (stop at stop signs, yield to pedestrians in crosswalks, etc.).
- New Jersey law requires anyone under age 17 who rides a bicycle, is a passenger on a bicycle, or is towed as a passenger by a bicycle to wear a safety helmet (N.J.S.A. 39-4-10.1).
- Children should only ride bikes that fit their size – not bikes they will “grow into.”
- No one should ride a bike at night without bicycle lights, N.J.S.A. 39-4-10 (a white light on the front and a red light on the rear of your bike) – and always wear brightly-colored clothing at night (reflective clothes and reflective strips are ideal).
- A bell or other warning device is a legal requirement in New Jersey. It will probably not be heard by motor vehicle drivers, but it is useful as a warning and as a courtesy to alert other bicyclists and pedestrians of your approach (N.J.S.A. 39:4-11).
- Everyone should keep their bikes tuned-up and functioning properly.

SUMMER EMPLOYMENT OPPORTUNITIES:

Sea Isle City's Department of Public Works is now hiring seasonal employees for the summer of 2016 – including nighttime janitors. Applicants must be at least 18 years old. For additional info, phone 263-6000, ext. 17. To apply online, go to <http://seaislecitynj.us/human-resources.aspx> and click the “Summer Employment Application” link.

The Sea Isle City Beach Patrol is also hiring summer employees. The test for prospective lifeguards will take place on Saturday, June 11, and Sunday, June 12. For more info, go to the Beach Patrol's website: www.sicbp.com.

BEACH TAG MOBILE APP:

Sea Isle City's Beach Tag Office has gone mobile! Apple mobile device users can save time by ordering their 2016 seasonal beach tags via a free app from Vibly (download the Vibly app at the iTunes store...the Vibly web link will show you how it works). Once you purchase your beach tags with the Vibly app, you can pick them up at your convenience at the Sea Isle City Beach Tag Office on JFK Boulevard, where you will simply use your mobile device to scan-in and get your tags. A nominal service fee per tag will be applied at the time of purchase. For more info, visit www.seaislecitynj.us/beach-tags.aspx.

TRASH & RECYCLING INFO:

Starting Memorial Day, Curbside trash and recycling collections take place twice each week on the following streets:

1st to 44th Street = Wednesday & Saturday

45th to 70th Street = Monday & Thursday

71st to 94th Street = Tuesday & Friday

Don't Forget: The City will not collect carpeting or other construction materials, propane tanks, tires or batteries. Sea Isle City is a Single Stream Recycling Community, which means residents can combine all of their recyclable materials (paper, cans, glass and plastics) in one curbside collection bin. Recycling is not just a good idea...it's the law in Sea Isle City.

Sea Isle City's Trash and Recycling Depot, located next to the Bridge on JFK Boulevard, is open seven days a week (7:15 a.m. - 2:45 p.m.). The Depot will be closed on holidays (except New Year's Day, Presidents Day, Memorial Day, Independence Day and Labor Day). The Depot will accept drop-offs of trash and recycling, however Bulk Trash is not accepted at that location. **Free Refrigerator Magnets** with a complete list of Sea Isle City's year-round trash and recycling information are now available at the Public Works Building, 3905 Central Avenue, and at the Welcome Center, 300 JFK Boulevard.
