LARGE BLUE FISH CAUGHT IN SEA ISLE CITY'S BACK BAY

SEA ISLE CITY, NJ -- On June 11, Steve Kiszely, of Churchville, PA and 85th Street in Sea Isle City, and his granddaughter, Ashley Kerrigan, 14, of Warrington, PA, were fishing in the back bay of Sea Isle City on their family's boat (named "Pack-n-Play"), when they reeled-in "the biggest blue fish we ever caught." The 28-inch, 18-pound Blue Fish was brought on board using a small spinning reel with a 10-pound line.
