Mr. Divney announced that the Planning Board will be taking up council’s request to review the commercial zoning ordinance at its 1/9/2012 meeting.

**NEW BUSINESS:** Mr. Kehner indicated that he has heard from many residents that are complaining about the increase in beach tag fees and suggested an interim rate from January to March at \$17.00 and make up the loss revenue by increasing weekly tags from \$10 to \$15. Mr. Divney indicated that Council can consider at the next meeting as that is the second reading and public hearing and the ordinance has been advertised as introduced.

**CITIZEN COMMENT:**

**Chris Gibson, Esq. Representing Landis 39 Group:** Regarding ordinance 1513, he expressed concern with the definition “exposed to the weather” as he feels it will only cause problems as it is not better defined and the language “regardless of the area being fully enclosed”. There was much discussion among council members, Mr. Baldini and Mr. Gibson. Mr. Baldini cautioned that this is not the public hearing and suggested Council table the ordinance if it feels the language is too ambiguous. He added that the language is from the land use/zoning ordinance but if the Council would like to revisit the ordinance, he would prefer it be tabled rather than advertise, amend and re-advertise as that is costly.

Mr. McHale agreed the ordinance language is ambiguous and Mr. Kehner agreed adding that he felt the businesses are private property and should be allowed to operate based on the Judge’s ruling from last year. More discussion followed and in conclusion, Mr. Divney asked that the ordinance be brought back to the agenda and tabled until a later meeting yet to be determined. Mr. Kehner made the motion and Mr. McHale seconded it. All ayes followed.

**Steve Hansberry-5712 Central Ave:** Provided a revised capital plan with reductions on items he feels are not necessary or can be pushed out to other years.

**Ann Organ-209 39<sup>th</sup> St:** Opposed elimination of the free beach day on Wednesday and announced the landlord tenant hearings for 3820 Central will be 12/7/11 at 6:00 pm.

**Lynn Shirk-209 54<sup>th</sup> St:** Opposed elimination of the free beach day on Wednesday; asked why the new police vehicles are unidentified; complained about trash at a construction site 2 doors down from her and that even fully enclosed vinyl structures are not always free from weather.

**Annette Lombardo-121 37<sup>th</sup> St:** Supported Mr. Kehner’s recommendation on beach tag fees and asked the status of the Welcome Center. Mr. Divney indicated bids will be advertised tomorrow and opened 12/22/11.

**Irene Jamison-1500 Landis Ave:** Suggested the lighthouse replica at JFK & Landis was supposed to be moved to the north end and opposed the elimination of the free beach day on Wednesday and the addition to the lodge for a welcome center.

Mr. Divney asked for a motion to adjourn. Motion moved by Ms. Tighe and seconded by Mr. Kehner. All ayes followed and the meeting adjourned at 11:35 a.m.
