Each of the eighteen Resolutions on the January 14 Consent Agenda was approved, including:

- Resolution 008, which authorized the approval of Bishop McHugh Catholic School's Casino Night application.

- Resolution 017, which approved the members of Sea Isle City's Volunteer Fire Department.
- Resolution 019, which authorized a Shared Services Agreement between Sea Isle City and Ocean City for Electrical Inspection services.

During the "Citizen Comment" portion of the January 14 meeting, a resident commented that he and his family members have noticed that litter often accumulates at night on the Promenade and in other parts of town, and he encouraged City Council and the Administration to continually address the issue of littering. The members of City Council remind all of Sea Isle City's residents and visitors that littering negatively affects the quality of life of those who enjoy this community, and it also has a harmful impact on the local ecosystem. So, please be certain to put litter in its place, and also remind your family members and guests (young and old alike) not to litter – and to avoid the fines that are applied to those who litter.

Our next City Council meeting will take place on Tuesday, January 28, at 10:00 a.m. in Council Chambers. –We hope to see you there!
