APPLICATION FOR A DUNE LINE DETERMINATION

Name _____

Date Submitted _____

Address _____

Property to be inspected: Block _____ Lot(s) _____

All construction of any sort in the beach dune area (beachfront property) must have a dune line determination completed.

Please attach a property survey done within the last two years to this application.

The determination will be performed by the City Engineer. This dune line determination will be done at the owner's expense, the cost of which is **\$425.00**. Any additional fees incurred will also be the owner's responsibility.

The property owner must erect a dune fence along the dune line, following standards established by the Environmental Commission of Sea Isle City.

Dune line determination performed by _____ date _____

Survey attached _____ date paid _____ amount _____ check # _____

Received by _____
